

Youth Group Mission Trip to Pine Ridge, SD June 23-June 30, 2018

Who: Teens in Grades 9-12

What: Serving the residents at Pine Ridge Indian Reservation by planning and leading children's programming as well as doing light work projects such as cleaning and painting in the community. As much as possible, we will seek to listen and learn from these peoples and their context. We will be hosted by a parachurch organization called Youthworks.

When: June 23-30, 2018

Why: To learn from and serve the people of Pine Ridge and to grow as followers of Christ

How: We will raise prayer and financial support from T4C, and each teen will pay about \$150 each after support raising.

Please don't let the cost stop you from coming! Pay what you can, consider the rest a gift from T4C to you.

Registration is due December 10. (Registration form coming soon!)
